

## Demountable SL-2 Cell Kit

| <u>Item #</u>                    | <u>Item Name</u>   | <u>List Price</u> |
|----------------------------------|--|-------------------|
| <a href="#"><u>0001-1413</u></a> | PTFE Plugs for all IR liquid cells-per dozen                                     | \$62.40           |
| <a href="#"><u>0001-1466</u></a> | PTFE Gaskets - 32mm dia, pk/4  | \$46.80           |
| <a href="#"><u>0006-4153</u></a> | Demountable SL-2 Cell Kit for Dispersive Instrument, without windows             | \$210.00          |
| <a href="#"><u>0006-4154</u></a> | Demountable SL-2 Cell Kit for FTIR Instrument, without windows                   | \$210.00          |
| <a href="#"><u>0006-4122</u></a> | Replacement Cell Holder for Demountable SL-2 Cell Kit (Dispersive) w/o Pin Plate | \$166.40          |
| <a href="#"><u>0006-4124</u></a> | Replacement Cell Holder for Demountable SL-2 Cell Kit (FTIR) w/o Pin Plate       | \$166.40          |
| <a href="#"><u>0006-4121</u></a> | Replacement Aluminum Needle/Pin Plate for Demountable SL-2 Cell Kit (Dispersive) | \$110.00          |
| <a href="#"><u>0006-4123</u></a> | Replacement Aluminum Needle/Pin Plate for Demountable SL-2 Cell Kit (FTIR)       | \$110.00          |
| <a href="#"><u>0001-4293</u></a> | PTFE O-rings- 32mm, pk/12  | \$59.90           |

The Demountable SL-2 is the same as the SL-2 sealed precision liquid cell, except that the amalgam seal has been replaced by a demountable PTFE spacer and gasket.
